**FOR IMMEDIATE RELEASE, please...**

## **CUMAR MARBLE AND GRANITE NAMED BEST OF BOSTON HOME 2016 Honored as Best Stone Countertops**

**CUMAR Marble and Granite**, of Everett, Massachusetts, custom fabricators of natural stone, is honored to be named "Best Stone Countertops" 2016 by *Best of Boston HOME Magazine*. This CUMAR is being recognized its exceptional stone selection and their team's dedication to customer service, making sure every project is expertly executed. achievement marks the second "Best of" honor for CUMAR, having been previously recognized in 2011.

"We are incredibly humbled by the support and recognition from *Boston HOME*," states Carlotta Cubi, vice president of **CUMAR, Inc.** "All of us at CUMAR are passionate about what we do and we are dedicated to providing the best selection of marbles, granites, precious and semi-precious stone to New England. It is truly an honor to be recognized again with a 'Best of' award."

*Boston HOME*, the sister publication of the venerable *Boston Magazine*, publishes the home industry's "Best of" annually in their winter issue, recognizing companies they see as exceptional in their respective field. This year *Boston HOME* found teams of professionals that not only deliver top-quality service, but also love what they do.

### **ABOUT CUMAR, INC.**

CUMAR specializes in the custom fabrication of natural stone, including: marble, granite, soapstone, quartzite, onyx, limestone, travertine, slate and semi-precious stone. Each year, president and owner, Ivo Cubi travels extensively throughout the world to hand select the highest quality stone products for CUMAR and their clients. Their on-site warehouse stocks the most extensive variety of materials in the area, ensuring that they will have the perfect stone to complete any project.
