

Off With  
Their Heads!  
Headshot Day

Cumar Marble & Granite hosted IFDA-NE in their eye-popping stone gallery and facility. Professional photographer, Jessica Delaney conducted mini photoshoots for guests who wanted a professional headshot. Cumar treated guests to a facility tour and an exceptional cocktail reception. Every guest discovered something new in the Cumar's stone collection and some couldn't get enough of it (like Interior Designer, Laurie Gorelick pictured above).
